

Alexandra Wright-Hammatt

Illustration Portfolio

Hello and welcome to my portfolio.

My name is Alexandra Wright-Hammatt and I am an illustrator, designer and calligrapher based in Bournemouth, Dorset. Creativity has always been a constant in my life, I've always known what I want to do, drawing and illustrating has been the front and centre of it.

I'm currently developing my style to lean towards the children's book market, but I also believe I have a style suited for the gift, stationery, editorial and licensing markets. I'd like to eventually write and illustrate my own children's book too, my brain is constantly feeding me ideas and inspiration about what I can create to inspire the future generation to come.

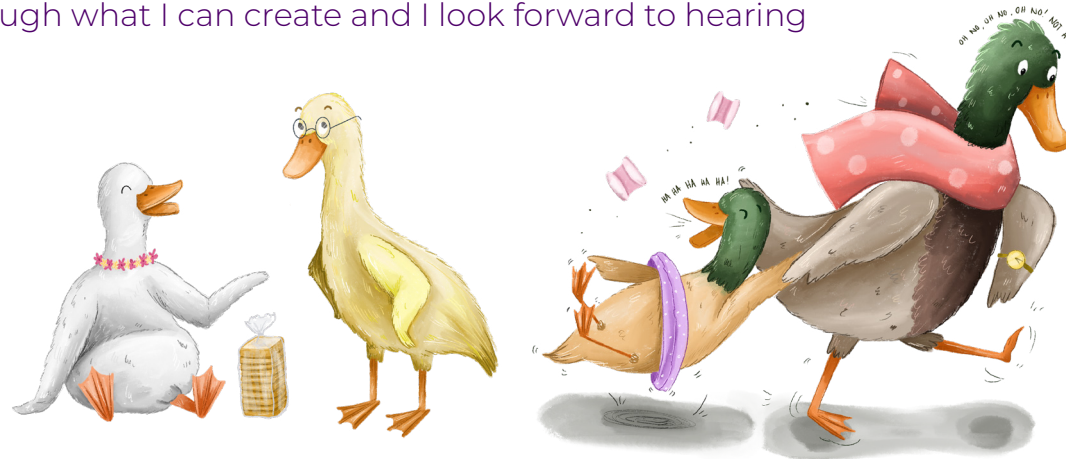

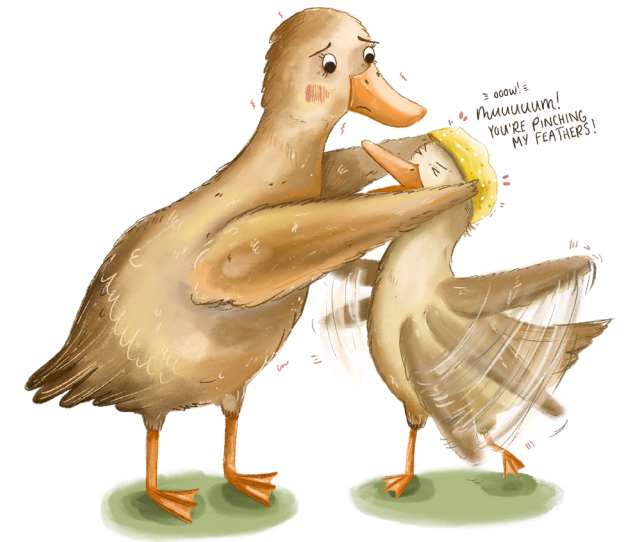

Currently, I work as a graphic designer. My 9-5:30 includes creating publications for clients such as Lakeland, Milk and More and Wiltshire Farm Foods. However, I have also created educational illustration pieces for clients such as The British Horse Society and Pet Plan. Unfortunately, due to my contract I cannot share these pieces of work.

I work both traditionally and digitally, allowing me to develop my pieces from sketch to final. My life revolves around creativity, print and seeing the beauty in the details.

I hope you enjoy looking through what I can create and I look forward to hearing your response.

Thank you,

Alexandra Wright-Hammatt
